DETAILED ACTION

Information Disclosure Statement

1. The information disclosure statement (IDS) submitted on 3/7/2005 is in compliance with the provisions of 37 CFR 1.97. Accordingly, the information disclosure statement is being considered by the examiner.

Response to Arguments

2. Applicant's arguments filed 3/7/2005 have been fully considered but they are not persuasive.

As to claims 8, 13 and 31, Applicant argues that prior art of record fails to teach or fairly suggest a method including altering a pit pattern of a visual design to embed a digital watermark therein.

The Examiner disagrees. Carson et al disclose, "Pit or land location can be adjusted for ant piracy purposes". This clearly read on claim limitation regarding altering pit pattern (see Carson et al column 2, lines 48-62).

As to claim 25, Applicant has amended claims 25 by including limitation of claim 26 and canceling claim 26, and argues that Kondo is not understood to teach or suggest the combination. However, Kondo teaches all the limitation of currently amended claim 25 including pit pattern arranged on or surface of the media (disc).

Claims 1-7, 18-20, 26 and 30 are cancelled.

As to claims 8-17, 25, 27-29 and 31-32, Please refer to Office Action mailed on October 25, 2005.

Allowable Subject Matter

Claims 21-24 are allowed.

Conclusion

3. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this ***final action***.
